

SILVERDALE METHODIST CHURCH

Rev. Christine Legge
19 Glenwood Close, Silverdale, ST5 6LA
Tel. 01782 631918

Dear Silverdale Friends,

11 September 2020

RE-OPENING OF SILVERDALE METHODIST CHURCH FOR SUNDAY WORSHIP

Further to my previous messages, I can confirm that we are planning to re-open for Worship on **Sunday 20 September at 11am**. (For clarification purposes the new 'Rule of 6', which will be implemented by the Government from Monday 14 September, does not apply to Services of Religious Worship.)

All the information contained in previous letters regarding the Risk Assessment and the requirements to re-open, which has been produced by the Leadership Team and agreed by the Church Council, are in place. This will require you to book a place each week in order to ensure we comply with the maximum of 20 worshippers within the building. The Risk Assessment detail is as follows:

[From the Silverdale Risk Assessment for Covid-19 security](#)

"The church is able to provide seating for 20 worshippers, whilst keeping to social distance guidance. This will be by a booking system.

Those wishing to attend worship to contact [Christine Benson \(07473 921074\)](#) the [previous Thursday \(12pm to 8.30pm\)](#) or [Friday \(11am to 8.30pm\)](#). Booking will close when 20 people have booked in on a first come, first served basis."

Therefore, I look forward to welcoming you back to worship when you are able, the Circuit Service material will continue to be distributed for those who are currently unable to attend.

I continue to hold you in my prayers, keep safe and well.

Every blessing,

Rev. Christine Legge (please refer to my letter of 7 August for full details of what church will look like with Covid-19 precautions in place).
