Don't forget that you can view Sunday Worship, and more, over on our 'YouTube' Channel if you aren't able to join us "live". Just search for "Silverdale Methodist Church" in 'YouTube' and you should be able to find us. And be sure to "subscribe" to the Channel, so that you are among the first to hear whenever new Content is uploaded.

We are connecting with new people every week – so if you are "digitally-challenged" but would still like to "connect", please ask Lee for help, and he will do his best to try and make sure that you can!

At the time of writing (Tuesday 6th April 2021 @ 8pm!)..

- ✓ **We have supplied 1,386 Food Parcels since April 2020.**
- ✓ **On-average, 47 people, of all ages, worship live every week.**
- ✓ **We then get an extra 55 people on-average every week accessing Worship when it is more convenient for them to do so via 'YouTube'.**
- ✓ **On-average, we deliver 14 Craft Packs for Worship every week, and have distributed a total of 301 since the 8th of November 2020.**
- ✓ **We have supplied 250 "Kids Activity Packs" – for specifically during School Holidays, half-terms, Christmas, etc. – since COVID began.**

All of this has been, and continues to be, done as we re-imagine Church – not only "for such a time as this", but also as we look to the future, and what Silverdale Methodist Church will look like in the days, weeks, months, and years to come. The Leadership Team are excited about where God is leading us to as a Church, and they hope that you all are too!

And let's not forget, just this last Sunday, on Easter Sunday, we confirmed 8 new Members into Church – people already connected in lots of different ways, but who decided to take that "next step". And we're not done yet – on Pentecost Sunday, 23rd May 2021, we will be welcoming 2 more new members too – GOD IS GOOD!

So please keep praying, as the "do-ers" cannot do anything without the "pray-ers" – and most of all, keep thanking God, for where He has bought us to, and also where He is leading us to. GOD IS GOOD!

When we pray, God works.
